8th Erasmus Endoscopy Day

Beurs-WTC Congress Center, Rotterdam, The Netherlands
September 10 & 11, 2009

Introduction

The Erasmus Endoscopy Day (EED) is an annual live endoscopy symposium, focused on state-of-the-art interventions and the frontiers of gastrointestinal endoscopy. The general goal of the meeting is to present novel and standard techniques in a highly interactive setting, but also, to show the devices and to explore the controversies of interventional endoscopy. The 8th EED will be a two-day event loaded with live-demonstrations of techniques, technology and procedures. Again we have gathered an excellent international faculty that will demonstrate, moderate, lecture and discuss.

We are looking forward to having you with us as a guest to this unique conference.

Ernst J. Kuipers

Registration

Registrations can be submitted through the website www.erasmus.endosc.nl or www.congresscompany.com. There you can also find the information about hotel reservations.

| | | |
|-----------------------------|-----------------|-----------------------------|
| Registration fee: | Up to 15 August | After 15 August and on site |
| Conference registration | EUR 300,- | EUR 330,- |
| Single day registration fee | EUR 175,- | EUR 195,- |
| Conference dinner ticket | EUR 75,- | EUR 75,- |

Cancellations

All cancellations must be sent to the Course Secretariat by mail or fax. Payment will be reimbursed to 50% if the cancellation is received up to 1 August 2009. No reimbursement will be given if the cancellation is received after 1 August 2009.

Travel

Rotterdam central railway station is on the main railways to Amsterdam, Antwerp, Brussels, Paris, Dusseldorf, Koln and Frankfurt. The city is serviced by a convenient international airport, and can also easily be reached from Amsterdam Schiphol airport. The World Trade Center is located in the center of Rotterdam, easily accessible by public transportation and car.
