Second Announcement

9th Erasmus Endoscopy Days

ESGE Endorsed Event

Beurs-WTC Congress Center, Rotterdam, The Netherlands
 September 9 & 10, 2010

Introduction

The Erasmus Endoscopy Day is the most interactive annual live endoscopy symposium in Europe. Known for its excellent atmosphere, the symposium is focused on state-of-the-art interventions and the frontiers of gastrointestinal endoscopy. The general goal of the meeting is to present novel and standard techniques in a highly interactive setting, but also, to show the devices and to explore the controversies of interventional endoscopy. The 9th EED will be a two-day event loaded with live-demonstrations of techniques, technology and procedures. Again we have gathered an excellent young international faculty that will demonstrate, moderate, lecture and discuss with you. Keep a close eye on our website www.erasmus.endosc.nl to keep track of the novelties that will be shown, as some of them are so new and so surprising that a final decision is kept to the last minute.

We are looking forward to having you with us as a guest to this unique conference.

Ernst J. Kuipers

Registration

Registrations can be submitted through the website www.erasmus.endosc.nl. There you can also find the information about hotel reservations.

Registration fee:

	Up to 1 July	After 1 July and on site
Conference registration	Euro 300,-	Euro 330,-
Single day registration fee	Euro 175,-	Euro 195,-
Conference dinner ticket	Euro 75,-	Euro 75,-

Since 9th EED is a ESGE endorsed event, **ESGE members** receive a **20% discount** on the above mentioned registration fees (not on the conference dinner ticket fee). When registering, please mention your ESGE membership number.

Cancellations

All cancellations must be sent to the conference secretariat by mail or fax. Payment will be reimbursed to 50% if the cancellation is received up to 1 August 2010. No reimbursement will be given if the cancellation is received after 1 August 2010.

Accreditation

European Accreditation Council by CME
NIV

NV-MDL
NVvH

Travel

Rotterdam is serviced by a convenient international airport with direct flights to London, Hamburg, Salzburg, Geneva and other European destinations. Rotterdam can also easily be reached through Schiphol Amsterdam Airport. Rotterdam central station is on the main railways to Amsterdam, Brussels and Paris. The Beurs-WTC Congress Center is located in the center of Rotterdam, easily accessible by public transportation and car.

Topics

Advanced endoluminal procedures
Image enhancement
EUS guided interventions
Management of Perforations
Management of Stenosis

Stenting and Clipping
